Professional Diploma in Brain Science & Memory Training Skills Jointly Offered by

MEDHavi
SKILLS UNIVERSITY

Skill • Empower • Liberate

&

BrainyWood

India's Best Innovative Learning Platform

ABOUT THE PROGRAM

The Professional Diploma in Brain Science & Memory Training Skills is a unique 1-year, 40-credit skill development diploma aligned with India's National Higher Education Qualification Framework (NHEQF) at Level 4.5. It is jointly offered by Medhavi Skills University (MSU) and Brainywood, India's leading brain science EdTech institution.

This program is designed to equip learners with advanced brain science knowledge and memory techniques that enhance cognitive abilities, attention span, and long-term retention — critical skills for academic achievement, professional development, and lifelong success.

COURSE HIGHLIGHTS

**Course
Duration:**

**1 Year / 1200
Hours**

Credits:

**40
NHEQF**

**Eligibility:
12th Pass
(Any Stream),
Age 18+**

COURSE HIGHLIGHTS

ABC LINKAGES & LIFELONG LEARNING PATHWAYS

This diploma is aligned with the Academic Bank of Credits (ABC) under NHEQF, enabling learners to:

- Accumulate and transfer credits toward higher education programs
- Seamlessly continue into undergraduate degrees (e.g., BA Psychology, B.Ed., B.Sc. Cognitive Science)
- Participate in India's new National Credit Framework (NCrF) for lifelong, flexible learning

DIGITAL CREDENTIALS & BLOCKCHAIN VERIFICATION

All certifications will be issued as digital credentials backed by blockchain verification — ensuring:

- Tamper-proof and verifiable credentials
- International recognition and future-readiness
- Secure and accessible lifelong record of your achievements

GLOBAL RELEVANCE: A FUTURE-PROOF SKILLSET

Cognitive training is gaining global momentum!

Here's where your skills can take you:

- 📌 UAE: Memory training integrated in elite schools
- 📌 Finland: Cognitive science-based learning models
- 📌 Singapore: Lifelong learning labs with memory coaches
- 📌 India: 100+ Brain Science Labs, 10L+ students trained

WHY CHOOSE THIS DIPLOMA?

✓ Career Empowerment

Gain high-demand skills relevant to Education, Psychology, Corporate Training, and Wellness Industries.

✓ Scientific Learning

Train with Brainywood's 12 patented tools developed by Dr. Vinod Sharma, India's leading brain science educator.

✓ Experiential & Skill-Based

Practice neurobic drills, memory techniques, and focus-enhancing activities with real-world application.

✓ Government-Recognized Qualification

Get a nationally accredited diploma, aligned with India's NHEQF reform.

Exclusive Features

✓ **First Ever Govt Certified Memory Trainer Course**

✓ **First Ever Diploma with 100% Internship**

✓ **First ever Diploma course with 100% Job Assistance**

✓ **First ever Diploma Course with 100% Business Partner Assistance**

✓ **First ever Diploma Course with 100% Self Employment Opportunity with assured income**

Special Training and Lectures by Domain Experts in the field of Public Speaking, Memory coach and Business Coach

ABOUT THE INSTITUTIONS

MEDHAVI SKILLS UNIVERSITY (MSU)

A UGC-approved, government-recognized institution offering skill-integrated, outcome-based education.

Vision:

Empower youth with education that leads to employability.

Mission:

Deliver skill-first programs aligned with India's future workforce needs.

ABOUT BRAINYWOOD

India's first dedicated EdTech for Brain Science and Memory Training, founded by Dr. Vinod Sharma & Mr. Dhruv Suwalka Record-holding innovator.

100+
Brain Science Labs

10 lakh+
learners trained

Transforming education through scientific, result-driven techniques

CURRICULUM OVERVIEW

SEMESTER 1 FOUNDATION OF BRAIN SCIENCE (20 CREDITS)

- ✓ Introduction to Neuroscience and Brain Structure
- ✓ Brain Functions and Learning Styles
- ✓ Basics of Memory Science & Retention Mechanisms
- ✓ Brain Gym & Neurobics
- ✓ Focus & Concentration Techniques
- ✓ Case Studies in Brain-Based Learning

SEMESTER 2 ADVANCED MEMORY TRAINING & APPLICATION (20 CREDITS)

- ✓ Mnemonics, Link Method, Peg System
- ✓ Mind Mapping, Visual Memory Training
- ✓ Application in Academics, Exams, and Career
- ✓ Emotional Intelligence & Cognitive Control
- ✓ Communication and Presentation Skills
- ✓ Capstone Project & Practical Demonstration

WHAT YOU WILL ACHIEVE

- 1 Enhanced concentration, memory & confidence
- 2 Certification recognized nationally & internationally
- 3 Public speaking and communication mastery
- 4 Career opportunities as trainer, coach, facilitator
- 5 Eligibility for UG degrees in Psychology, Education, etc.
